OUR YEAR IN REVIEW 2026

Over the past year, Venture has continued to expand opportunities that help the people we support live meaningful and fulfilling lives in their communities. Through wellness, movement, music, and community engagement, we have created experiences that promote connection, independence, and joy.

We expanded our wellness offerings by adding virtual yoga and Monday evening classes accessible to Venture clients across our programs. We also welcomed Christy from Unified Movement, who is bringing wellness and fitness classes to our Fitchburg and Gardner programs. Music with Mike expanded its reach through virtual and in-person classes, while Sunflower Movement returned to provide movement and enrichment opportunities for the individuals we support.

Our commitment to inclusion also extended beyond our programs. Throughout the year, Venture hosted free, accessible community events, including Dances, Paint Night, a Magic Show, Adaptive Yoga Classes, and our annual Sensory-Friendly Halloween event. These opportunities bring people together, build connections, and reinforce our belief that everyone deserves to be an active and valued member of their community.

This work has become even more important as people with disabilities and the organizations that support them face continued uncertainty at the federal level. Challenges to Medicaid, community-based services, and longstanding disability protections remind us that we cannot take progress for granted. Venture remains committed to advocating for the rights of people with disabilities and protecting their ability to live, work, participate, and thrive in their communities.

Despite these challenges, our mission remains unchanged. We will continue creating opportunities, strengthening partnerships, advocating for inclusion, and ensuring the people we support have every opportunity to live the fulfilling lives they deserve.

CLIENT SPOTLIGHT

A Trip To Disney World with David!

David, Esther, and Victoria at Walt Disney World

David recently enjoyed an unforgettable trip to Disney World with Victoria and Esther, where every day brought a new adventure. From exploring all four parks to enjoying incredible shows like The Little Mermaid – A Musical Adventure, there was something exciting around every corner!

But if you ask David what his favorite part was? The food! A true foodie at heart, he loved trying all the delicious treats. He also enjoyed meeting Disney cast members and photographers, making the trip even more special.
